Tempest Dance Studio Washington

At Tempest Dance Studio (Durham & Washington) we have implemented the below Social Distancing Policy to stop the spread of Covid-19.

- **We require all students, instructors and other visitors to the studio to abide by the below guidance at all times.**
- **Failure to do so may result in removal from the studio with any future attendance suspended without a refund.**

- Before attending the studio, please familiarise yourself with the new **studio floorplan**, and any new **entrance and exit points**
- Please **remain in your vehicle** until your instructor calls you into class – this will allow the previous class time to exit, and time for our instructors to clean the studio ready for you. Queuing 2 metres apart outside of Washington is acceptable.
- Any attendees to the studio are required to adhere to a minimum of **2 metres social distancing** from anybody that they do not live with
- As you enter the studio, please make your way to your **allocated piece of equipment and stand next to it**
- Please be aware of the space allocated to you and your equipment and **stay within those boundaries**
- Do not cross into other student's equipment areas at any point during your class
- When you are not on your equipment try to ensure you are **2 metres away** from the person next to you (mouth to mouth)
- Please only leave your equipment area to wash your hands, use the bin, go to the bathroom or if you need medical attention. Keep your personal grip and sanitiser in your own area.
- Please move around the studio following the **one-way system** and arrows as marked on the studio floor (Washington)
- The changing room at Washington will not be available to you at this time – please only bring into the studio with you what you will need for class. **Avoid bringing bags & coats.** Do not get changed in our toilets
- Please **ensure you have water with you** will not be able to fill your bottles from our taps
