

Each Tempest Dance Studio Pole party is tailored to meet your needs, but typically a party goes as follows...

Firstly we have a short warm up, then we then begin by teaching you some fabulous basic spins and pretty poses. We choreograph these basic pole moves into a fun routine to a song of your choice.

We finish off with certificates, a small bottle of bubbly, some photographs and a short cool down.

We offer the use of feather boas and tutus if you would like a fun sexy vibe!
